You are advised to read the course calendar to familiarize yourself with the University's regulations and procedures concerning grades, regulations, penalties and appeals ('relief').

Plagiarism is unacceptable and those who do so will be persecuted to the fullest extent allowed under the University's regulations. Please avoid this experience and do your own work.

The date of the final examination is set by the Office of the Registrar and once confirmed will not be changed. If you consider that you have grounds to write the final examination on an alternate date, you must follow the procedure established by the Dean's Office and complete the appropriate forms. The same holds for dropping the course.

Should you feel that your final grade in the course is biased, inaccurate or unfair, you do have the right to appeal your mark. Be aware that marks may be raised--**as well as lowered**--through an appeal process. Please refer to the Western Calendar 2013, prior to doing so. It is very much in your own interest to seek assistance and adjustments as early as possible, and always in advance of the event.

Statement on Academic Offences
